Seen by Second Councillor.

Submitted to His Highness.

19/ This is a recommendation from the Senior Surgeon for Mr. T.V. Kuppasami Mudaliar, Assistant Surgeon, doing duty as the District Medical and Sanitary Officer, Kolar Gold Fields, being allowed to draw the allowance of ₹100 drawn by his predecessor and for an order that the allowance should be given to whoever is appointed as District Medical and Sanitary Officer on the Kolar Gold Fields, on the ground of the costliness of living at the place and the onerous nature of the duties the officer has to perform.

The allowance in question was being drawn by Mr. Krishnasami Iyer, Civil Surgeon, during his employment in the Fields, under Government Order of the 17th November 1902. The allowance in the present case would have been granted as a matter of course, but in this instance the recommendation of the Senior Surgeon was under the new practice referred to the Comptroller for opinion. He thinks it is unnecessary and the First Councillor says he agrees with the Comptroller.

The Second Councillor is however strongly of opinion that the allowance should be continued.

As remarked above the allowance should be made to go with the appointment, and this would have been the simple recommendation to be made by me so as to avoid the question being brought up every time a new officer was appointed to the Gold Fields, but the attitude assumed by the Comptroller makes it necessary that I should go over the ground already traversed in connection with sanctioning the allowance when Mr. Krishnasami Iyer was appointed to the Fields.

Living in the Gold Fields is costly, and all the officers there have been granted local allowances on this consideration.

The Medical officer at the Gold Fields in particular has to move with the highly paid Medical officers of the mines, and has to suitably maintain his position as an officer of Government, if his opinions on sanitary and medical questions are to receive the weight and consideration due to them. In the case of Mr. Kuppasami Mudaliar, in addition to the reasons above specified and which were also the reasons advanced when the allowance to Mr.Krishnasami Iyer

was recommended, there are a few facts that came directly under my notice when I was last in the field, which would shew how necessary it is to pay the Medical Officer well and enable him to maintain his position if he is to hold his own when dealing with the well paid Officer of the Mining Board.

The fact of Mr. Kuppasami Mudaliar drawing a small salary was actually one of the facts that led the Doctor of the Mining Company to treat lightly and even disparagingly the opinion of the Mysore State Doctor, although as far as I am aware, the latter is in no way inferior in professional qualifications to the Doctor employed by the Company. The Mining Doctor actually thought he was lowering himself by having any thing to do with the State Doctor. These facts were prominently brought to my notice during my last visit to the Kolar Gold Fields, and Mr. Kuppasami Mudaliar, whom I had known so well and who has done splendid work under me, actually begged of me to take him away from the place I promised to get the Deputy Commissioner to speak to the Board and get him better treatment from the Mining Doctor. I say that the lowness of the pay was the chief consideration that influenced

the Mining Doctor advisedly because this was actually the reason assigned by him in talking to the Deputy Commissioner about Mr. Kuppasami Mudaliar. I had thought of sending an officer of the Civil Surgeon's grade to the Fields, and even in his case, I should not have withheld the allowance. The Comptroller talks in utter ignorance of local conditions, and I am not sure if he has not gone out of his way in discussing the question of the expediency of and necessity for the allowance. This is not the first instance in which he has taken upon himself to criticise proposals in a manner which implied that he was not to confine himself to the purely financial aspects of a question.

In the present case, I quite agree with the Second Councillor in thinking that the local allowance of ₹100 should be attached to the office and continued to the present and future District Medical and Sanitary officers stationed at the Gold Fields.

From

The Distt.Medl.& Sany.Officer,

Kolar Gold Fields.

To

The Senr.Surgn.& Sany.Commr.,M.G., 18

Bangalore.

Sir,

I have the honor to solicit the favour for your allow-ing me to draw the pay of a Civil Surgeon from the date I assumed charge of my duties as District Medical and Sanitary Officer, Kolar Gold Fields, as I find the place very costly and my duties onerous.

I have etc.,
Sd/ T.V.Kuppusamy
D.M. and S.O.

Memo No.11/c dated 20th July 1906 from the Dy Commr, Kolar Gold to the Senior Surgeon with the Govt of Mysore

Forwarded

Apart from the generally unhealthy and highly expensive locality and the specially arduous nature of the work on -- the Gold Fields, the drain on ones resources and energies are very

very heavy here, amidst peculiar environments and classes of -- people and officers of all ranks drawing high salaries. For -- special office under such special circumstances special emoluments are essential and I would in the interests of the efficiency of service request that Mr.T.V.Kuppusamy Moodr., be allowed to draw the pay of the last grade of Civil Surgeons which he so richly deserves by merit and ability.

Sd/ C.Srikanteswara Iyer

Deputy Commissioner.

Submitted to His Highness.

18. This is a recommendation from the Senior Surgeon for Mr. T. V. Kuppasami Mudaliar, Assistant Surgeon, doing duty as the District Medical and Sanitary Officer, Kolar Gold Fields, being allowed to draw the allowance of Rs. 100 drawn by his predecessor and for an order that the allowance should be given to whoever is appointed as District Medical and Sanitary Officer on the Kolar Gold Fields, on the ground of the costliness of living at the place and the onerous nature of the duties the officer has to perform.

The allowance in question was being drawn by Mr. Krishnasami Iyer, Civil Surgeon, during his employment in the Fields, under Government Order of the 17th November 1902. The allowance in the present case would have been granted as a matter of course, but in this instance, the recommendation of the Senior Surgeon was under the new practice referred to Comptroller for opinion. He thinks it is unnecessary and the First Councillor says he agrees with the Comptroller.

The Second Councillor is, however, strongly of opinion that the allowance should be continued.

As remarked above the allowance should be made to go with the appointment, and this would have been the simple recommendation to be made by me so as to avoid the question being brought up every time a new officer was appointed to the Gold Fields, but the attitude assumed by the Comptroller makes it necessary that I should go over the ground already traversed in connection with sanctioning the allowance when Mr. Krishnasami Iyer was appointed to the Fields.

Living in the Gold Fields is costly, and all the officers there have been granted local allowances on this consideration.

The Medical Officer at the Gold Fields in particular has to move with the highly paid Medical Officers of the mines, and has to suitably maintain his position as an officer of Government, if his opinions on sanitary and medical questions are to receive the weight and consideration due to them. In the case of Mr. Kuppasami Mudaliar, in addition to the reasons above specified and which were also the reasons advanced when the allowance to Mr. Krishnasami Iyer was recommended, there are a few facts that came directly under my notice when I was last in the Field, which would show how necessary it is to pay the Medical Officer well and enable him to maintain his position if he is to hold his own when dealing with the well paid officer of the Mining Board.

The fact of Mr. Kuppasami Mudaliar drawing a small salary was actually one of the facts that led the Doctor of the Mining Company to treat lightly and even disparagingly the opinion of the Mysore State Doctor, although as far as I am aware, the latter is in no way inferior in professional qualifications to the Doctor employed by the Company. The Mining Doctor actually thought he was lowering himself by having anything to do with the State Doctor. These facts were prominently brought to my notice during my last visit to the Kolar Gold Fields, and Mr. Kuppasami Mudaliar, whom I had known so well and who has done splendid work under me, actually begged of me to take him away from the place. I promised to get the Deputy Commissioner to speak to the Board and get him better treatment from the Mining Doctor. I say that the lowness of the pay was the chief consideration that influenced the Mining Doctor advisedly because this was actually the reason assigned by him in talking to the Deputy Commissioner about Mr. Kuppasami Mudaliar. I had thought of sending an officer of the Civil Surgeon's grade to the Fields, and even in his case, I should not have withheld the allowance. The Comptroller talks in utter ignorance of local conditions, and I am not sure if he has not gone out of his way in discussing the question of the expediency of and necessity for the allowance. This is not the first instance in which he has taken upon himself to criticise proposals in a manner which implied that he was not to confine himself to the purely financial aspects of a question.

In the present case, I quite agree with the Second Councillor in thinking that the local allowance of Rs. 100 to be attached to the office and continued to the present and future District Medical and Sanitary Officers stationed at the Gold Fields.

V P. MADHAVA RAO.

25. To the Officiating Senior Surgeon and the Comptroller; Government Order No. 5098-9, dated 14th December 1906.

Serial No. 2.

Directs that a local allowance of Rs. 100 per mensem be attached to the office of the District Medical and Sanitary Officer of the Kolar Gold Fields and that the same be continued to the present and the future District Medical and Sanitary Officers stationed at the Gold Fields; directs also that Mr. T. V. Kuppusami Mudaliar, the present District Medical and Sanitary Officer at the Gold Fields, be allowed to draw the said allowance of Rs. 100 from the date he joined the Gold Fields as District Medical and Sanitary Officer.

Grant of a local allowance to the District Medical and Sanitary Officer, Kolar Gold Fields.

FILE No. 70 OF 1906-07.

Letter No. G. 140, dated Bangalore, 17—18th August 1906, from Lieutenant-Colonel John Smyth, M.D., I.M.S., Senior Surgeon and Sanitary Commissioner with the Government of H. H. the Maharaja of Mysore, Bangalore, to K. S. Chandrasekhara Aiyar, Esq., B.A., B.L., Secretary to Government of H. H. the Maharaja of Mysore, Gen. & Rev. Departments, Bangalore.

Serial No. 1. In forwarding the accompanying copy of Memo No. 11—C., dated 20th July 1906, from the Deputy Commissioner, Kolar District, giving cover to No. 16, dated 17th July 1906, from the District Medical and Sanitary Officer, Kolar Gold Fields, praying for the pay of a Civil Surgeon, I have the honor to recommend that, for reasons given by the Deputy Commissioner, with which I agree, the District Medical and Sanitary Officer may be allowed to draw the Local allowance of Rs. 100 per mensem, which his predecessor, Civil Surgeon Mr. E. S. Krishnasamy Iyer, has been getting, while he was at Kolar Gold Fields, and the same allowance may be ordered to be drawn by any Medical Officer appointed as District Medical and Sanitary Officer of the Kolar Gold Fields, for the future, to avoid unnecessary correspondence.

Enclosure.

Letter No. 17, dated 17th July 1906, from the District Medical and Sanitary Officer, Kolar Gold Fields, to the Deputy Commissioner, Kolar District.

I have the honor to enclose herewith my application to the Senior Surgeon and Sanitary Commissioner, regarding my pay and solicit you to kindly forward the same with your kind support and recommendation.

Letter No. 16, dated 17th July 1906, from the District Medical and Sanitary Officer, Kolar Gold Fields, to the Senior Surgeon and Sanitary Commissioner, Mysore Government, Bangalore.

I have the honor to solicit the favour of your allowing me to draw a pay of a Civil Surgeon from the date I assumed charge of my duties as District Medical and Sanitary Officer, Kolar Gold Fields, as I find the place very costly and my duties onerous.

Memo No. 11—C., dated 20th July 1906, from the Deputy Commissioner, Kolar District, to the Senior Surgeon with the Government of Mysore.

Forwarded.

Apart from the generally unhealthy and highly expensive locality and the specially arduous nature of the work on the Gold Fields, the drain on one's resources and energies are very heavy here, amidst peculiar environments and classes of people and officers of all ranks drawing high salaries. For special office, under such special circumstances, special emoluments are essential and I would, in the interests of the efficiency of service, request that Mr. T. V. Kuppusami Mudaliar be allowed to draw the pay of the last grade of Civil Surgeons, which he so richly deserves by merit and ability.

To the Officiating Senior Surgeon and the Comptroller, Order No. 5098-9—Med. 70-06-2, dated 14th December 1906.

Serial No. 2. Concurring with the Senior Surgeon and the Deputy Commissioner in their opinion that living in the Gold Fields is costly, that all the officers there have been granted local allowances on this consideration, and that the Medical Officer, at the Gold Fields in particular has to move with the highly paid Medical Officers of the Mines and has to suitably maintain his position, the Government of His Highness the Maharaja are pleased to direct that a local allowance of Rs. 100 per mensem be attached to the Office of the District Medical and Sanitary Officer, Kolar Gold Fields, and that the same be continued to the present and future District Medical and Sanitary Officers stationed at the Gold Fields.

2. Mr. T. V. Kuppusami Mudaliar, the present District Medical and Sanitary Officer Kolar Gold Fields, will be allowed to draw the said allowance of Rs. 100 per mensem from the date he joined his appointment in the Gold Fields, as District Medical and Sanitary Officer.

K. S. CHANDRASEKHARA AIYAR,
Secy. to Govt., Gen. & Rev. Depts.
